## **Position Your Company at the Forefront of Sustainable Aviation Fuels in Greece**

Join the second Sustainable Aviation Fuels (SAF) Conference in Greece and showcase your organization's commitment to innovation, sustainability, and the future of aviation.

This landmark event will bring together policymakers, industry leaders, researchers, fuel producers, airlines, airports, technology providers, and investors to discuss the future of Sustainable Aviation Fuels. Sponsoring the conference offers a unique opportunity to strengthen your brand visibility, demonstrate thought leadership, and connect with key stakeholders shaping the Greek and European SAF **ecosystem**

### **The Sponsorship Packages**

Three sponsorship packages—**Platinum, Gold, and Silver**—have been carefully designed to maximize your company's visibility and engagement throughout the conference.

As a sponsor, you will benefit from valuable branding and networking opportunities, including:

- Speaking opportunities during the conference programme
- Participation in panel discussions (where applicable)
- Visibility during coffee breaks, lunches, and the conference dinner
- Direct engagement with conference delegates and industry decision-makers

Your sponsorship will be acknowledged across all conference communications, including:

- Conference website
- Conference programme
- Promotional materials and flyers
- Press releases
- On-site signage and branding

For **Platinum Sponsors**, CRES is pleased to discuss tailored sponsorship opportunities to further enhance your company's presence and meet your specific objectives.
